COLD BREW
COFFEE
BLACK HOUSE BLEND

.....
BLUEBERRIES • CHOCOLATE • SMOOTH

This killer cold brew combines a blueberry-forward, naturally processed Ethiopia with the chocolate brownie lusciousness of a Papua New Guinea . It's a new school spin on an old school mocha java blend, and the results will absolutely blow your nips off. This brave new flavor experience is brought to you by Modern Times, a totally radical coffee roaster & craft brewer.

12 FL. OZ. (355 ML)
