FINAL GRAVITY

We took, the juicy, Citra-laden wonder that is Booming Rollers and catapulted it to dizzying heights of dankness via a massive double dry-hopping with Citra, Motueka, Centennial, and Citra Cryo. The result is a staggeringly tasty liquid vortex of tropical flavors with a delicate malt body and a sublimely refreshing, snappy bitterness to round the whole thing out. It's a glorious testament to excess, and you've been afforded the rare opportunity to experience it firsthand.
