

SWISS WATER DECAFFEINATED | GUATEMALA

STEADY HAND DECAF BLEND

CACAO • WALNUT • TOFFEE

ROAST LEVEL: ●●●○○○

This marvel was sun-dried and decaffeinated via a solution of concentrated coffee solubles that extract the caffeine without affecting the distinct flavor profile of the coffee. It's like magic, but it's science. Roasted and brewed, these amazing beans yield a cup with decadent flavors of cocoa, walnut, & toffee that may cause you to immediately restructure your concept of decaf.
